

Let's F\$*#ing Talk!

A discussion hosted by the Participatory Research in Ottawa: Understanding Drugs (PROUD) Peers

Thursday, February 23

1:30 PM

Room 106 @ OASIS, Sandy Hill Community Health Centre

Please join us for a lively discussion about local research findings on current issues that are important for our community!

***What would you like to know about our research?
Are we missing anything relevant? Anything new?
Tell us and share your experiences.***

Topics of discussion may include research related to: naloxone, fentanyl, supervised injection, overdose, harm reduction, community services, health care providers, social support, discrimination and stigma, community engagement, emergency departments, hospitalization, mental and physical health, housing, methadone, incarceration, HIV or hepatitis C testing and treatment, and more...

A light lunch will be served.

This will be an informal discussion and safe space.
